Dear Pastor or Youth Pastor,

We are only a few months away from the 25th Western National Youth Conference! This year's theme is "**The Main Event.**" For a quarter of a century, our Lord has allowed us the privilege of using this conference as a vehicle to challenge thousands upon thousands of young people to join and continue in the "good fight of faith." You and I know very well that Satan's aim is to throw the devastating "knockout punch," one that will cause his opponent to remain permanently handicapped for the rest of his life or, worse, bow out of the fight altogether. Our young people are in the fight of their lives.

Please allow me to encourage you to do the following in preparation for this anticipated event:

PRAY. *Please pray with me that our Lord will use this year's conference for His glory.* Pray that He will give our guest speakers incredible wisdom and power as they preach to the hearts of our youth. I trust that you are already praying that He will do a transforming work in your own youth group.

PLAN. *The pre-registration deadline is Monday, June 2.* When you register early, your young people will have more time to prepare spiritually for the conference. Registering early may also influence the young people in your church who are not planning to attend the conference. When they see what is being done in preparation for it and how eager others are about attending it, they may change their minds.

Please also carefully review the materials within this packet, particularly the information regarding accommodations and registration fees. If you have attended this conference in the past, you will notice that we have implemented some things which may be a benefit to you and your youth group.

PROMOTE. *Please begin promoting this conference.* Some ways to promote this conference to your young people would be to hold prayer meetings for the event, host fundraisers for airfare or registration fees, advertise the event in the church's weekly bulletin or website, make announcements in youth meetings or church services, and more.

If you need additional brochures or have any questions about the conference, please feel free to contact me at (408) 988-8881, ext. 267, or our registration coordinator, Crissi Hussin, at (408) 988-8881, ext. 293. Please let us know if there is anything we can do to be a help to you. God bless you.

For Him,
